Once signed up to *EasyAbstracts*, you will have a permanent account and can submit content to any future events using the *EasyAbstracts* submission platform.

### 2. Creating a contact author account - Existing Users

If you submitted content to ANZAHPE 2017 or were a reviewer you will already have an account and password. Logon using your email address and password. You can reset your password but please be aware *EasyAbstracts* generates emails automatically and some spam filters, depending on how strong their filter is set, can inadvertently delete the email or filter it into your 'junk email' folder. If you have

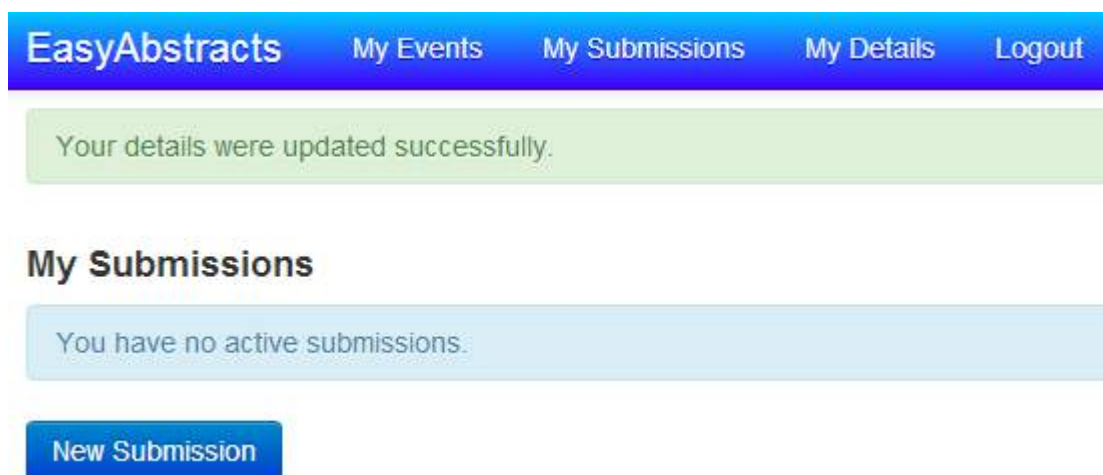

not received an email, check your email's spam folder or contact this office and we can reset your password..

### 3. How to submit an abstract

Submitting an abstract involves two steps.

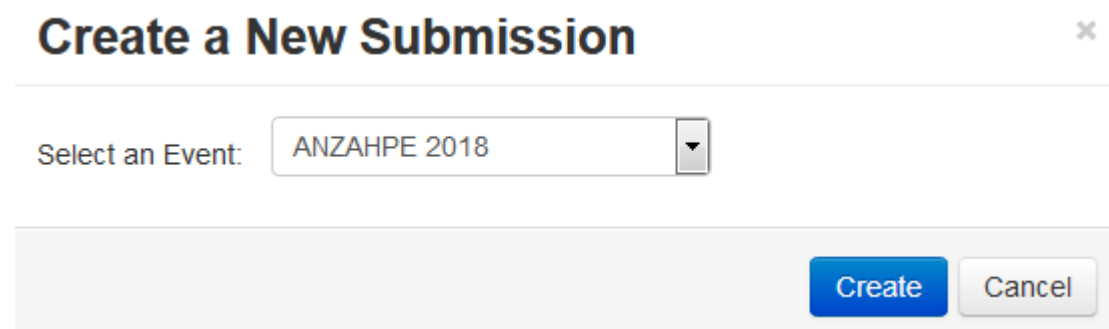

- Completion of the submission form, and
- The upload of the abstract.

To submit content, select the [New Submission](#) button.

The screenshot shows the EasyAbstracts website interface. At the top is a blue navigation bar with the following links: EasyAbstracts, My Events, My Submissions, My Details, and Logout. Below the navigation bar is a green success message box that reads "Your details were updated successfully." Underneath this is the "My Submissions" section, which contains a light blue message box stating "You have no active submissions." At the bottom of this section is a blue button labeled "New Submission".

The option *ANZAHPE Conference 2018* will appear. Select the [Create](#) button.

The screenshot shows a modal dialog box titled "Create a New Submission" with a close button (X) in the top right corner. Inside the dialog, there is a label "Select an Event:" followed by a dropdown menu. The dropdown menu is open, showing "ANZAHPE 2018" as the selected option. At the bottom right of the dialog, there are two buttons: a blue "Create" button and a grey "Cancel" button.

#### a. Submission form

When the event has been selected, the ANZAHPE 2018 Conference submission form is available for you to complete.
